SOMETIMES AN 18-YEAR-OLD BLONDE WITH BIG FAKE TITS JUST WON'T CUT IT. YOU NEED A FULL-GROWN WOMAN WHO'S BEEN AROUND THE BLOCK, WHO KNOWS HOW TO FLOAT YOUR BOAT AND YES, YOU CAN HAVE A SPUNK-STAINED CONVERSATION WITH AFTER YOU'VE BONED HER INTO THE HEADBOARD THAT DOESN'T REVOLVE AROUND THE X FACTOR. THESE WOMEN KNOW WHAT MAKE MEN TICK AND MEN WHO HAVE BEEN AROUND A BIT THEMSELVES MAY GO TO THE 18-YEAR-OLD FOR A ONE-OFF SHAG, BUT A BIRD OVER THIRTY WILL HAVE THEM COMING BACK FOR SECONDS AND THIRDS. BUT THEN I'M BIASED – I'M A MILF MYSELF AND PROUD OF IT!

"This is what we get up to when our boyfriends go down the pub without us!" cooes bawdy Geordie Samara. "They think it's better to go out and talk about boring football than stay at home with us." "If only they knew what they were missing! When we've had a hard sweaty fuck we tidy everything up and have a shower so they don't suspect a thing!"

"I'm into new and exciting positions," says Katie (34). "Pull my legs up, push my thighs apart. Fuck me this way, that way, cum in my face, on my tits, up my arse. Hang me over the door, do me upside down, – as long as I haven't done it before, I'll give it a go!"

True Con

It's good cock, bad cock for girl in blue Carly. So why not fuck the police?

Ever since I was a little girl I always played the good cop. I think it was something to do with the uniform. It always had an effect on me – and the boys, of course! As soon as I left school I knew I wanted to be a copper and sort out all those bad lads!

By 22, I was badged up and walking the streets in my sexy uniform, protecting the citizens of Stoke. Now as much as I love the law, there's always been something about those bad boys that just fills my lips with juice. I couldn't tell you the amount of knickers I've had to change mid-shift after arresting certain types!

Not so long ago, roughing it with villains was all just fantasy, but after a particularly long shift a few months back all that changed. I'd been asked by the detectives to join an all-night stakeout as they were short staffed. Something to do with a bit of fraud, they said. To be honest, I was just glad to be able to sit down on shift for once, so I gladly helped out.

Within minutes I recognised one of the guys we were watching as a lad called Paul from my old college – someone I'd spent two years wanting to fuck! I eagerly watched him, reliving my teenage fuck fantasies and delighted that he was just as fit now. As I imagined him ripping off my blues, my pussy started to seep sweet juice. I hoped the other guys couldn't smell my scent of sex!

I was happy to hear he wasn't one of the guys we were after, but this gave me an excuse to pop round and check him out.

So a couple of days after the guys made their arrests, I made my excuses and paid him a visit. I'd purposely worn my smuttiest crotchless silk panties, suspenders and matching bra under my crisp, clean uniform.

As I drove over to his house, I was feeling hot and horny for him. And when he gingerly opened his door, I could feel my knees almost buckle. He was just in his boxers and as I checked out his toned, musclebound body I felt his eyes run up and down my body when he slowly recognised me.

As soon as it clicked who I was he relaxed. And by the look in his eyes I knew I was going to get what I wanted. Still in just his boxers he sat down next to me, admiring my uniform.

"Nice cuffs," he whispered in my ear, sending fuck vibes shooting though my body, straight down to my soaking wet pussy. He ran his finger along the inside of my leg, exciting my every nerve, and I saw his cock twitch to life in his boxers. I leant in and bit gently on his lips, pushing my 34DDs into his bare smooth chest.

In a sudden frenzy of movement Paul's cock burst though his boxers. Gasping in awe at his gorgeous, thick, sexy cock, I

wrapped my lips around it and took him down deep in my throat.

As I sucked, kissed and licked his member he pulled off my jumper and shirt, revealing my plump breasts. He tweaked my nipples though my bra, then unhooked it and released my boobs. Taking his cock in my hand, I guided it into my warm cleavage.

I could tell by his groan that he was loving every second. But this was my fantasy and my pussy was screaming out to be touched! Getting up, I unzipped my trousers. He grabbed his cock and jerked himself as I strip-teased my way out of the rest of my uniform until I was just wearing my suspenders and crotchless panties.

Lying down, legs spread open to show him my pink ripe pussy, I beckoned him to me. With the tip of his cock, smooth with pre-cum, he worked my clit until I was dripping juice all down him. I was unable to wait any longer – I desperately needed him deep inside of me. He squeezed his cock in my beating, desperate cunt. He filled up every inch of me and grabbed on to my bouncing breasts, rocking his body further into me until I couldn't take any more.

I could feel the carpet burn my peachy cheeks. The pain only intensified the pleasure of being fucked on duty! The more I thought about what I was doing the more my pussy responded to his gorgeous cock pounding me.

As he circled my arse with his juice-soaked finger I exploded, nearly screaming the house down. Cum sprayed out of my pussy with such force that his chest was soaked and droplets of my cum glided down his dick muscle.

Kneeling up, I took his throbbing member back into my mouth and again kissed, licked and sucked him, but this time I tasted myself on him. With a few short groans of warning, hot cum soon shot down the back of my throat like warm cream.

Lapping and swallowing up every last drop of his love juice I finally collapsed into his strong, sweating arms. After we'd caught our breath I glanced round to see pieces of my uniform scattered round the room and remembered I should've been back at the station hours ago!

"So was that what you came round for?" said Paul through his big sexy smile. "Pretty much," I grinned. And as I put my uniform back on and left, with my cum still trickling down my leg, I knew I'd be back for more.

Warming her, er, cockles by the fire is little diamond Gem. "I always play with myself in the lounge. I give a big shriek when the door bell goes sometimes – you can see right in through the windows. If I like the look of the fella, I might invite him for tea and a hot snack... on my pussy! Brr, it is cold isn't it? I'd be a lot warmer if some of your readers were here on the couch with me!"

True Con

For once it's busty beautician Jules getting a pampering... at least her pussy is...

I've been working as a beautician for about three years, now, and recently got my own space in a salon in South London. I know it's not usual for a single woman to write to a porn mag, but I had to share my naughty story with someone!

I've always enjoyed the company of women but never though of having a sexual relationship with a girl, even though I deal with women's bodies all day, and I bet I've seen more pussies in the flesh than you lot at the magazine!

It happened about two months ago, I had never felt attracted to a woman, but Maria was the sexiest thing I'd ever seen and she walked into my workplace! Petite – about 5ft 3 – with thick, chestnut brown hair, and looked very exotic. She had these tiny little cut off jeans showing of her tanned brown legs – her lickable thighs were toned but shapely, and her flat little belly peaked out between her vest and shorts. She had the air of a movie star, and I was star struck.

I had to pinch myself through my whites to snap myself out of it – I honestly still don't know what came over me!

We got on instantly, chatting away as I did her nails in my little back room, she told me she was new to the area, that she had only been in the UK for a few weeks and was missing her family back in Brazil.

As I massaged her delicate hands, enjoying the feeling of our creamy fingers touching, and her sweet voice trickling into my ears, I was very conscious of the fact that the whole incident was slowly but surely turning me on. I just hoped she couldn't read my thoughts, or sense my lust.

I felt a bit embarrassed as I had never experienced anything like that, at least not towards a woman. At the end of the session, she booked an appointment for the following week and, saying goodbye, gave me the softest, sweetest kiss on my blushing cheek.

When the salon was empty and the hairdressers had gone home, I locked up and went into my little room in the back. My hands deftly unbuttoned my white work dress and I peeled off my panties, which were absolutely soaked though, and I lay back on my massage table. Thinking of Maria's tight body as I wanked, my hands slippery from my juice and the hand cream, this was the first time I had ever thought of a girl whilst masturbating, and I swear I came harder and faster than ever before.

I couldn't wait to see Maria again, not only was she the most physically beautiful woman I have met, she was just so sweet, and we chatted easily as if we had always known one another.

The day of her next appointment finally came and in she stepped, greeting me with two kisses, one on each cheek. We again got talking, as I did her feet this time. They were already perfect, her toes like little button ends, and each its own unique size, allowing my fingers to slip and slide in between them with ease.

The more I massaged them, the more relaxed she became, sliding back down on the chair, eyes closed and making these sexy little, "mmm" sounds, that went right

"She plunged two fingers deep inside my sopping pussy"

fessions!

through me like a knife.

I pushed my thumbs into the soft soles of her feet and she let out a loud groan and we burst into fits of giggles! Sitting up a bit she looked at me straight in the eye and asked forwardly, "Jules, have you ever been with a woman?"

My heart pounded loudly when she asked me that in her sexy, soft accent, but I just smiled and replied as coolly as I could, "No, not yet."

Sitting up, Maria swung her legs aside as to straddle the chair, and pushed herself forward, so she was really close to me. "Where I come from, Jules, when women are lonely they sometimes comfort each other in a special way." My mouth was dry as I tried to find my voice. Before I could make a sound, she closed her eyes and leaned in, her full lips gently pressing against mine.

Her tongue slowly slipped into my mouth, as she kissed me. She tasted like honey, and I kissed her back, exploring her wet mouth with my tongue. As she lay back down on the reclining chair I followed, firstly unbuttoning my white dress, becoming aware that my nipples were like bullets.

My kisses became braver and traced a line down her neck, feeling her body tense as she moaned softly. I removed her vest to reveal her boobs, which were natural and large, her brown nipples looked huge compared to my pink erect little buttons. I licked them, and enjoyed for the first time the feeling of a breast in between my lips. I sucked hard until her nipples were like two little pebbles. "Are you sure you've never been with a woman?" Maria laughed, "You seem to know what you're doing!" I shook my head, no, as I delved greedily into her knickers. She put her hand on mine to stop me. "Slowly, like this," she purred.

She unbuttoned her jeans, easing herself free from them. Now completely naked, she spread her legs open, showing me her trim pussy. Parting her lips with one hand, she pushed a finger into her glistening dewy hole. I took my index finger, gave it a good lick and pushed it in her alongside her own finger.

"Go on, taste me!" she giggled. I didn't need telling twice and withdrew my finger from her juicy pussy, licking her wetness. She sat up and pulled me down next to her. Easing her hand down my pants, she plunged two fingers deep inside my sopping pussy. I gasped, but that soon turned into groaning as he began to finger-fuck me hard.

I realised I was going to come, and held on tight to her, my body shaking as waves of orgasm washed over me. Glad that the salon has the music up loud enough to drown my moaning, I let myself go completely and spurted juices all over Maria's hands.

She comes in every other week for varying treatments, and has even promised to let me give her a native Brazilian wax! I think it's time us English girls cottoned on to this female comfort thing – I haven't stopped smiling in weeks!

"I've been married for four years and I'm doing this to sprinkle some excitement back on my relationship. Dogging really thrills me. Last week we drove down to the edge of some woods and someone touched me up through the car window. Last night I sucked someone off throught the window and we're going back tonight. I'm hoping for a fuck this time!"

Tattooed mum of two Marlyn still looks fantastic. "I put it down to all the sex I have," she smiles at us, "and that wonderful moisturiser you men make in your bollocks. I take it on my face and over my tits and always rub it in!"

Voyeur Tom needs to splash out on some new binoculars after spying on his neighbour

I've never really considered myself a voyeur before now, apart from watching the occasional porn film, but since the new people moved into the house over the road, I seem to have developed a new fetish!

I live on a street of smart detached houses in town and folk round here tend to keep themselves to themselves. I'd noticed the removal van earlier in the week, but had thought no more about my new neighbours until a few nights later when I was going to bed. The street is tree-lined, which adds to the privacy, but you can obviously see in the windows of the buildings opposite when they turn the lights on at night, so people are pretty quick to close the curtains. But this night, my eyes were drawn to lights in the large bedroom window upstairs.

Standing in the brightly lit room, in full view, was a woman with long dark hair and she appeared to be slowly unbuttoning her top.

I could have been mistaken, as the street is quite wide and I didn't have the clearest of views, but there was only one way to find out for definite!

Although I had never spied on anyone before, I didn't hesitate and ran downstairs to get my binoculars from the cupboard, before returning to the bedroom and switching off the light. Resting my elbows on the window sill, I focused the binoculars on the neighbour's window and got the shock of my life. She had definitely been unbuttoning her top as I'd thought, as she was now standing there in just a black lacy bra. She was about 25 years old with a really pretty face and long black hair that cascaded over her naked shoulders. She seemed to be looking directly at me, but surely couldn't see me in my darkened room. My heart beat faster as I stared at her big breasts, beautifully wrapped in her fancy lingerie and I felt my cock starting to stiffen.

Unfortunately, she was standing too close to the windowsill to see what she had on below her waist, but I could clearly see the bed behind her, and I hoped she would move back towards it soon. Raising my view back to her tits, my cock throbbed to attention as I watched her push the material clear and cup them in her hands. I checked her face again and she still seemed to be staring in my direction, with the sexiest of smiles playing on her lips. Could she see me? I started to think that

"My heart beat faster as I stared at her big breasts"

fessions!

maybe she could.

Realising this display could very well be for my benefit, I dropped my trousers, taking out my rigid prick as I watched her playing with her ample boobs. She began to slowly move backwards and as she did, I glimpsed the top of her garter belt, her suspenders, then her shaven pussy and the top of her black stockings.

I began to wank as she slid one hand lazily down her body and in-between her legs. She spread the lips of her twat slightly with two fingers and inserted another slowly into her pink glistening cunt.

I had to stop and frantically wipe the binoculars at this point, as I'd steamed up the lenses with my constant panting. Focusing again on the object of my lust across the street, I saw she had now raised one stilettoed foot onto the bed and was going to work on her pussy with her fingers, while squeezing the nipple of one large breast between her finger and thumb. She was still smiling in my direction and my cock was throbbing, as I indulged in my guilty pleasure.

Still fingering her juicy-looking hole, she clambered onto the bed, her arse thrust deliciously in the air. Those lovely tits now swaying beneath her as she jerked herself off. I was just getting geared up to cum, when she suddenly pulled her finger from her slit and fell back onto the bed, spreading her long shapely, stocking-clad legs as she did so. I paused, dick in hand, as she reached into a drawer beside her bed and pulled out a flesh coloured dildo.

A quick look at her pretty face showed her licking and sucking the cunt juice off her fingers, her eyes tightly shut in ecstasy as she manoeuvred the sex toy towards the entrance to her pussy.

Leaning back, she lifted her legs high in the air and pushed the fake cock deep inside her twat. Fuck, she must have got about seven inches up her before she slowly pulled it out again.

"My cock was throbbing"

My binoculars were so good that I could actually see the sticky cunt cum glistening on the shaft and as she began to pump the length in and out of her snatch, I shot my load all over my hand and the carpet.

After I'd spent a few moments cleaning myself up, I peered over towards her house but the curtains were now drawn and the entertainment was over.

Luckily for me, my new neighbour's slutty performance was not an isolated display and I have spent a good few evenings watching her act the tart. She has even fucked her bloke with the curtains open and the light on a couple of times since that first show and I can't wait until it gets dark each night, to see if I'm in for another voyeuristic treat.

True Con

When Sonja says she doesn't need you to buy her a drink, don't mean she ain't thirsty...

Last week I had to stay late at the office and finish some work, as I had deadlines looming. All my mates were already out on the town so I knew that as soon as I joined them, I'd have to play catch up. I rushed through my last few bits of work, turned off the computer and ran down the stairs, desperate to get out of the place and start my weekend.

Normally I would go home, have a shower, get changed and go back out but I'd had a stressful day and all I wanted to do was get hammered, so headed to the pub in my suit, straight from the office. As I guessed, all my mates were already drunk, getting lairy and trying their luck, loudly, with anything that moved. I took a seat at the bar and looked on as they attempted some of the worst chat-up lines I have ever heard. I felt embarrassed for them, and sat there cringing at the bar.

That was, until a sexy-as-fuck babe with straight reddish hair came up to the bar, ordered a straight whiskey and smiled at me.

She spoke first, and when the first thing out of her sexy mouth was, "I love a man in a suit!" I instantly knew I was onto a winner. We chatted for about an hour, and I tried to charm her, telling her about how I'd always had a thing for cute redheads, asking her questions about herself and flirting subtly. I thought she definitely seemed interested, but nothing could prepare me for what came out of her gorgeous mouth next!

I was blathering on about famous redheads, when she put her had over my mouth, and shushed me. I was a bit taken aback, especially when she looked me in the eye and bluntly told me, "I want to fuck you. Now." Even if her hand hadn't been over my mouth, I would still have been left speechless! I thought I'd have to buy her a few more drinks at least to maybe get a cheeky grope of her tits, but she was already horny as hell and wanted me that very second, apparently. Bloody hell, my luck was finally in!

I went down to the unisex toilets first, then a few minutes later she followed. As soon as I opened the cubicle door to her, she was all over me, kissing and biting my neck, pulling madly at the buttons on my shirt. I didn't have a chance to do anything – she already had my trousers around my ankles and was pushing me down on the toilet seat.

She slid up her tight skirt, pulled her underwear to one side and stood over me, angling herself to take all of my rock hard cock. Then she lowered herself down on top of me, slowly taking every inch inside of her wet cunt. She felt so fucking tight; it was a relief, and a bit of a surprise, that I didn't blow my load instantly.

"She rode my stiff cock while trying not to moan!"

visit www.paulraymond.com

fessions!

Soon, she was bouncing up and down on me, her big tits flopping out of her top as she did. I grabbed onto one of her hard, pink nipples and pinched it as she continued to ride my stiff prick, trying her absolute best not to moan, aware that people were in the cubicles either side of us, this being a busy bar. I felt her shudder and spasm as she came, burying her head in my neck as her juices ran down my cock and over my balls. As her muffled groans grew quieter, I knew it was my turn.

"I pumped her mouth with my swollen prick"

Grabbing her by the hips, I pulled her off my throbbing cock and turned her around. I whispered in her ear to, "bend over and grab your ankles." Just as she clasped her fingers around her slender ankles, I slid back into her moist cunt, made easy by her slick, wet pussy. Wrapping my hands around her waist, I started banging her hard, her body at the perfect angle to push my big dick all the way in. Every now and again, she'd let out these cute little whimpers and moans, especially when I fucked her a bit faster and deeper. It was amazing to see my entire length disappearing inside this tall, fiery, redhead that I didn't even know.

Pulling out of her, I stood up and told her to face me and sit on the toilet. She did as she was told and just as she looked up at me with those big blue eyes, I pushed my cock between her lips and came hard. I pumped her mouth with my swollen prick, rubbing it over her tongue and lips until I was completely finished. Like a porn star, she swallowed every drop, licking her lips and smiling at me like a Cheshire cat.

We both quickly tidied our clothes and waited until the coast was clear before we left. As we stepped out of the toilets, she kissed me on the lips and told me her name was Sonja. The taste of my salty cum mixed with her strawberry lip gloss.

I went to the bar for a drink before rejoining my mates. I didn't bother bragging about it, as I knew none of them would believe me!

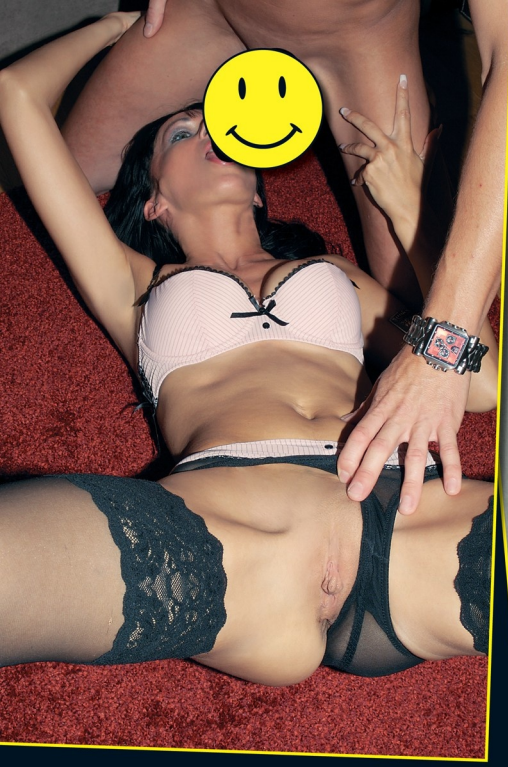
LUCKY FUCKER!
RUTH & TOBY



I've always been into girls my own age, and as a typical 20-year-old bloke I have had my fair share of shags. But recently I met Ruth by chance, and she introduced me to the joys of being with an older woman. Now, I find myself daydreaming about mature muff instead of the slutty, immature students I used to go for.

Ruth and I met at a gig played by a local band that I knew. I was with a load of my old rocker mates, when she walked up and began chatting to one of them. My eyes were drawn to her immediately, and once they were on her, they wouldn't leave her. I could tell she was much older than me – maybe late 30s, or early 40s.

Not that she looked old at all – she had an amazing figure and a stunning face – but she also had an easy assurance about her. The way she walked and spoke portrayed a confidence and a knowledge that she was at ease in her own skin – something that I had never experienced with girls my age. And although she dressed quite young for her age (she was wearing leather jeans and a vest top that night that we met), she managed to pull it off without looking like mutton dressed as lamb.

After being introduced, we started chatting straight away and without us even noticing, our mutual mates had melted away so we were alone. The night flew by and before we knew it, last orders were being called. We were getting on like a house on fire, having chatted away for a couple of hours like it were mere minutes, and the attraction between us was obvious. As the evening had gone on Ruth became more tactile, touching my arm for emphasis when making a point, laughing a bit louder at my jokes, her eyes twinkling at me, sexily. I wanted this woman.

"With all the riches on display I felt like a kid in a sweet shop. I decided to run a hand over her tight round arse..."

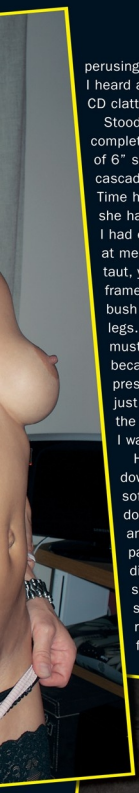
It turned out she lived just up the road, so she invited me over to hers for a quick 'coffee'. As we walked back together, I admired her fit body. Slim long legs clad in tight blue jeans, a tiny waist and a plain white T-shirt, stretched tightly over her large boobs. She caught me looking at one point, but simply grinned at me and hooked her arm through mine.

Once we arrived at her place, she left me in the living room to sort out some music while she fixed us some drinks. I was

visit www.paulraymond.com

perusing the back of a CD case when I heard a noise and looked up. The CD clattered to the floor.

Stood in the doorway stood Ruth, completely starkers, except for a pair of 6" stilettos, her long, dark hair cascading around her shoulders. Time had certainly been kind to her; she had the firmest, roundest boobs I had ever seen, pink nipples poking at me, and her long legs went up to taut, yet sexily rounded thighs, that framed the dark, full-but-trimmed bush that rose from between her legs. She looked horny as fuck. I must have stammered something, because she strode up to me and pressed her finger against my lips. "I just don't believe in beating around the bush, you know?" she breathed. I wasn't about to argue!



Her hand left my lips and ran down my chest, pushing me onto the sofa. She straddled me and sank down, her lips locking onto mine and her tongue exploring my mouth passionately. With all the riches on display, I felt like a kid in a sweet shop and did not know where to start, so I ran one hand over her round tight arse and let the other squeeze and fondle each tit one by one, pulling on the nipples, making them harder still.

Ruth could obviously sense that I was slightly overwhelmed because she fed one of her ample tits into my mouth with one hand and reached down to fondle the outline of my hardening dick with the other. I sucked her boob like it was the first one I'd touched, enjoying the feeling of my tongue making her nipple hard, before gently catching it with my teeth.

My cock was straining to escape my jeans but she wasn't letting me free just yet, as she moved up my lap and pressed her cunt hard against the shaft of my cock, moving slowly up and down while she stripped off my T-shirt and ran her nails down my chest. Even through my jeans, I could feel the heat coming from her snatch, as we writhed together.

I had to get in that pussy, and she knew it. I pushed her off, stripped off the rest of my clothes, and pulled her back again. She knew exactly where to aim, and immediately enveloped my cock in her hot, velvety pussy. There was no doubt who was in charge, as she squatted over me, pulling me in with her powerful pussy muscles.

Fuck, she knew some tricks! Moaning loudly with every stroke, she used her strong thighs to move herself up and down and to plough my cock as deep into her as she wanted. My hands were everywhere, grabbing at her full tits as they bobbed up and down in my face, running over her arse and between the cheeks, softly rubbing her arsehole, occasionally dipping my fingertip in.

We both knew I would not last long if she continued to do me at that pace, so Ruth climbed off, and explored my cock and balls with her mouth, giving me the time to come down from the brink of climax and

catch my breath. She nuzzled each of my testicles, before running her tongue up the length of my dick, her eyes locked onto mine the entire time.

Ruth seemed to know exactly when I was ready to start again, and she moved herself onto her knees, her bumhole winking in my direction, inviting me in. I positioned myself behind her and nudged my cock against the small puckered hole of her arse.

She reached back, and, grabbing my cock, directed me instead towards her pussy. I smiled to myself, thinking that she couldn't blame me for trying, before closing my eyes and enjoying the feeling of my member disappearing into her dark, wet pussy. Holding her arse cheeks, I began to pound into her,

getting harder and faster with every thrust until her face was buried in a cushion and I could barely hear her muffled screams.

Then I felt her body begin to shudder, and her pussy muscles clench tightly around my dick, and I knew she was coming. I pummelled her from behind like a jackhammer, not letting up at all and when she came, I could feel her juices gushing out around my cock.

After she had caught her breath, she moved onto the floor, legs spread wide. I needed no encouragement and moved down on top of her, penetrating her again as she grabbed my arse and pulled me in, building up a steady rhythm.

I couldn't help staring down at the wonderful sight of my cock sliding in and out of her juicy pussy, her legs wide apart. She moved her hand down and started to make little twitchy movements over her clit, her breath coming out in short bursts as she did so. Her back arched as she got closer to coming.

"Move up here," she gasped, "I want to taste you as I cum!" I straddled her chest as she took my cock in her mouth and began sucking furiously.

Her hand was still frigging away behind me, and I closed my eyes as I enjoyed the sensation of this woman frantically swallowing my length. Suddenly, the sucking stopped and I could tell by her muffled moans she was close to coming.

I held her head still as I continued to pump at her, fucking her mouth like it was a cunt, and started to spurt, my hot creamy jizz filling her mouth as she recovered from her own

orgasm. I wanked my shaft as I pulled out of her mouth, draining every drop down over her chin and face.

Although we're not in a relationship, we've hooked up a few times since and she's taught me something new every time. After my experience with Ruth, I find myself eyeing up older women over younger ones, so I've obviously been converted! I'm a firm believer that things get better with age, and women are no exception!

Young mum Michelle took this job in a cable cutting firm to make ends meet... she didn't expect to find ends meeting in her when she had a threesome with her husband and his mate after hours. "It was well cool," she grins. "As long as you don't let my boss find out about it." Think you'll get fired? "No, the dirty bugger will want to join in next time!"

"Fridays are a treat in my house! I strip for my husband when I come home from work. I open him a can of beer and come back to the living room in just my underwear. Then I slowly strip off, gyrating with my bum in his face till he can't take any more and pulls me into his lap. Then he slides his hard dick up my arse for our weekly anal session!"
